

Piano SIX
Next Generation

*“The children
raved for days!
Children in
every age group
shared the
excitement.”
~ Lillooet, BC*

*Our mission is to bring world-class
pianists to thousands of
Canadians in remote communities,
to inspire future generations
of musicians and fans.*

Who We Are & What We Do

Piano Six is a collective of six internationally-acclaimed Canadian concert pianists; each with a passion for exploring music with their audiences to uncover the story and emotion within.

Between April and December, one pianist is assigned to a regional tour within a specific geographic area in Canada. A typical visit lasts 2-3 days and includes school concerts culminating in a concert for the whole community to enjoy. Depending on the community's wishes, these events may be school concerts, a master class for music students, or a workshop for music teachers. These workshops and masterclasses allow participants to get to know the performers on a more personal level as artists and as people.

With the help of government, corporate and private funding, Piano Six is pleased to offer a range of accessible fees, to reach as many people as possible.

School Fee \$750 + HST (minimum two schools) | Audience Max 350 | Recommended Gr. 3-12

How We Help You Have an Amazing Event!

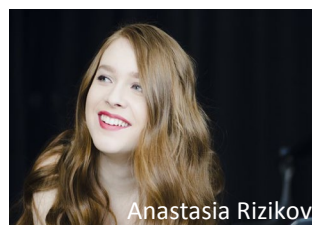

- We provide a full package of marketing and communication materials
- We advise on cost effective media and promotional options
- We provide YouTube video and live streaming
- We engage with your community on social media
- We offer teachers an educational package to help prepare their students
- We bring an instrument for presenters without a piano, at no extra cost
